Letter of Recommendation

Josh Jones
7186 Scrub Oak Ct
Hudson, FL 34667

To Whom It May Concern,

I've had the pleasure of coaching Josh over the last 3 years. He has attended 4 of our football camps in Florida and California. Over this time I've been able to get to know more about Josh as a person. I've also gotten to know his Dad who has helped out at each of these camps. Josh comes from a very supportive family and has been taught values of character, work ethic and humility. He has a good head on his shoulders and is the most mature student at every camp I've seen him. Josh and I remain in contact weekly via text and e-mail and he is always responsive and thankful for any guidance.

Josh is on our exclusive 'Hot Prospect List' which is comprised of less than thirty students of over 1,000 students that we coached this past season. In short, he is a very gifted football kicking/punting athlete and we recognize his ability being in the top 90% of his peers. He has won multiple camp competitions, besting 40+ participants each time. Josh has proven he can excel under pressure and has been one of, if not our most reliable student the last 3 years. He is one of the most accurate/consistent field goal kickers I've seen in a while. I believe his confident and poised demeanor on the field is very much who he is as a person.

Without hesitation, I would recommend Josh to any admissions department, athletics department or employer looking to bring him aboard. He will be a tremendous addition to your school, team or organization.

Please call me at **619-564-1333** or e-mail **brent@kickingworld.com** if I can be of further assistance.

Sincerely,
