Letter of Recommendation

Nicholas Van Valkenburg
5391 Hillcrest Rd
Medford, OR 97504

To Whom It May Concern,

I've had the pleasure of coaching Nicholas over the last 3 years. He has attended 3 of our football camps, and also private lessons with me. Over this time I've been able to get to know more about Nicholas the student, the athlete and the person. Nick comes from a rock-solid family of a father who is a physician and very caring and supportive parents. He has a good head on his shoulders and is very mature for his age. He has maintained a high GPA all while taking accelerated classes at an advanced Prep School, St. Mary's School in Medford, Oregon.

Nicholas is on our exclusive 'Hot Prospect List' which is comprised of less than thirty students of over 1,000 students that we coached this past season. In short, he is a very gifted football kicking/punting athlete and we recognize his ability being in the top 90% of his peers. He has won multiple camp competitions, besting 40+ participants each time. Nicholas has proven he can handle adversity as he battled a potentially career-ending knee injury and came back even stronger than before.

Without hesitation, I would recommend Nicholas to any admissions department, athletics department or employer looking to bring him aboard. He will be a tremendous asset to your school, team or organization.

Please call me at **619-564-1333** or e-mail **brent@kickingworld.com** if I can be of further assistance.

Sincerely,
