

Muenster Hornets Kicker is Among Top in Nation

MUENSTER - One of the best high school kickers in the nation is starting his senior year at Muenster High School.

Trey McTaggart was working out Friday at

fourth best kicker in the nation racking up 100/100 PATs his sophomore year on varsity. He also helped the Hornets secure the 2017 2A state championship with 2/2 field goals

said, adding "In a game it's 50 yards."

McTaggart is unfailingly modest about his accomplishments.

"I really didn't know I good until I started going to [skills and showcase] camps and stuff," he said.

Sometimes it's up to a kicker to save a game or break a tie. The pressure can be daunting, McTaggart said, noting he focuses a lot on mental techniques to keep the nerves at bay.

This summer he participated in a Kicking World camp, a football kicking, punting and snapping instruction provider which holds sessions in 32-cities across the nation.

"Trey has proven to be one of the most consistent kickers in the nation," Kicking World Founder and Director Brent Gralchhoff said. "Trey had a really good summer camp circuit at various colleges even winning the overall punt competition at Notre Dame and finishing in the top few at Wisconsin."

"If Trey can remain con-

sistent again this season and get his kickoff hang times up a bit more we expect him to pull in a couple bigger offers. Right now, he has a scholarship offer from a Division 2 school and serious interest has been developing from a couple [Football Bowl Subdivision] schools."

Hornet Stadium preparing for the Hornets scrimmage with Jacksboro where he talked a bit about his high school career and college prospects.

McTaggart who moved with his family from Cleburne to Muenster several years ago said his first love was soccer. Soccer taught him the discipline and skills required to become a kicker.

"When I moved here they didn't have soccer, and I played soccer my whole life," he said. "When I found out they didn't have a soccer team here I decided to start kicking to see if I can make the football team. I made the JV freshman year and got moved up [to varsity] my sophomore year."

He's now ranked the

and 3/3 point after tries in the game at AT&T Stadium in Arlington.

"My longest field goal in practice is 62 [yards]," he

the Federal Department of Justice and others. Projects include strategic planning and budgeting, compliance, contracts, call taker training, capital equipment, database maintenance, new technology implementation, GIS services, and coordination between local and state agencies.

In 2014, the TCOG 9-1-1 Program installed a 9-1-1 Host/Remote Sys-

tem. The current system is approaching the end of its useful life cycle. In accordance with the Commission on State Emergency Communications (CSEC) PPS-028, this equipment is scheduled for replacement every six years. The equipment is purchased through a cooperative contract.

Total calls in the Cooke County/Gainesville area taken during CY 2018 at Cooke County Sheriff's Office were 14,674, and

for the Gainesville Police Department the number was 11,187, Norton said.
